To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

## Local Items.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at (errified) and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

PERSONAL.—We have to announce that Mr. Oren White, passenger conductor on the Vermont Central Railroad, severed his connection with the railroad on the 19th inst. Mr. White has been in the employ of the Railroad Company for 15 years, and for the last 10 years he has filled the important position of conductor. For the last year he has run between St. Albans and St. Johns, P. Q. Like other conductors, he has frequently been reported by others, to his superiors for errors and negligence, yet he has never been seriously called to account, nor has he, during this time, been reprimanded by his superiors. Mr. White, who has been a popular conductor, leaves the road with hosts of friends, who wish him well in his new occupation. He goes to Norwich, Connecticut, to establish himself in the clothing business.

Mr. White is succeeded by Mr. Augustus Stonegrave, who has for a great length of time been a sleeping car conductor between St. Albans and Springfield, Mass. We hope the success of Mr. Stonegrave, as conductor, may equal that of his predecessor.

IN FOR STEALING.—Peter Ryan, alias John Carr, was brought before Justice Sherman on Wednesday charged with stealing a pair of boots from Messrs. Wheeler & Bailey, on Saturday, and was fined \$5.00 and costs, and being minus the aforesaid sum he was committed to jail. The boots were mismatched and he could not wear them afterwards, much to his own disgust.

THE FAST YOUNG LADY.—Miss Jennie Robinson alias Jennie Hurlbut, was brought before Justice Sherman on the 20th inst., upon complaint made against her for fraudulently obtaining goods from Messrs. Breck & Wetherbee, and she was ordered to find bonds in the sum of \$50, for appearance at the next term of the County Court, and for want thereof was committed to jail.

TENTH VERMONT.—The annual reunion of the "Old Tenth" will be held at L. Love's Hotel, Waterbury, this evening. Ex-Governor Dillingham will deliver the address. The railroads will carry for half fare.

RE-UNION OF VERMONT OFFICERS.—The Fifth Annual Re-union of Vermont officers will be held at Montpelier tomorrow. The members of the Re-union Society, and all Vermont officers of the army and navy are respectfully invited to attend. The oration will be delivered by Gen. A. T. Washburn, at the Hall of the House of Representatives, during the evening.

COAT STEALING.—Officer Downing, this morning, arrested a man by the name of Folie, for stealing a coat from one of the Sleeping Cars in the Depot. Folie is now in jail awaiting his trial.

REMARKABLE PRESENCE OF MIND.—The noon passenger train from Rutland on Friday, barely escaped a fearful destruction near Mt. Holly by the remarkable presence of mind of David Chapman, conductor of the freight train preceding it. As the latter train left Mt. Holly station the coupling pin of the rear car broke and the load and grade being heavy the car commenced running back towards Rutland when it was noticed by the conductor who started for the switch a short distance below, and just succeeded in reaching and shifting it as the wheels struck the main track. Had the car not been stopped, its accelerated motion, by the time it reached the passenger train, would have been at least a mile per minute; and a fearful destruction, probably, of life would have followed. A purse of \$45 was made up by the passengers, for Chapman, as a slight token of their appreciation of his prompt and efficient services.

An aggravating grave-robbing case lately occurred in Topsham. Three medical students, having been suspected, left for parts unknown.

EX-GOVERNOR HALL.—The honored and venerable Ex-Governor Hildard Hall, of Bennington, and Mrs. Hall, will soon celebrate their golden wedding, and the invitations to the interesting occasion will include all the Benningtonians over fifty years of age.

GRAND ARMY OF THE REPUBLIC.—A Post of the Grand Army of the Republic was established in Montpelier, Friday evening, Oct. 19th, and the following officers elected:  
Grand Commander—Fred. E. Smith.  
Senior Grand Commander—John W. Clark.  
Junior Grand Commander—J. M. Poland.  
Adjutant—James S. Peck.  
Quartermaster—Perley P. Pitkin.  
Sergeant Major—Wallace H. Ballou.  
Quartermaster Sergeant—Hiram M. Pierce.

THE BURLINGTON TIMES.—The Daily Times appears in a new dress altogether, and it is a handsome one too. This is the largest and one of the most enterprising daily papers published in Vermont; liberal, independent, and fearless, always. The Messrs. Bigelow are to be congratulated upon this evidence of the prosperity of the Times.

BEAR CAPTURED.—Mr. L. O. Colburn, of Shrewsbury, noticing signs which led him to infer that a bear or some other animal was prowling around near his premises, set a trap for the animal a few days since. Sunday, Oct. 18th, he visited his trap, and found therein a large black bear, which, on being killed, was found to weigh over 200 pounds.

CHECK LIST OF VOTERS.—The Act amending the existing law in reference to check lists, which was passed by both houses of our State Legislature, was made necessary by the fact that the former act did not include presidential elections. The Act is now amended by adding after the words "list of voters for every annual city, town or free-men's meeting," the words, "and election or electors of President and Vice-President of the United States." And towns where check lists are provided by the law should see to it at once that the lists are prepared within the time. This is the first bill that has been passed the present session.

BETHANY CHURCH.—At the sale of pews in Bethany Church, Montpelier, which closed Saturday, one hundred and thirty were sold, at a premium of about \$12,000. The balance of pews, after satisfying the subscribers, will be held by the society for sale or rent.

Railroad Meeting at Frelighsburch.

The Richford Sentinel says that on Saturday, the 10th of October, a large and enthusiastic meeting of St. Armand East, Richford, and East Franklin was held at the Parish Hall in the village of Frelighsburch, for the purpose of discussing railroad matters and taking the preliminary steps for the immediate construction of a road leading from the present terminus of the Passumpsic River Railroad, at Newport, Vt., to Montreal, P. Q., or to connect with some line of railroad now running to Montreal.

J. B. Seymour, Esq., Mayor of Frelighsburch, was called to the chair, and J. H. Smith, of Frelighsburch, appointed secretary.

Remarks were made by the Mayor, Dr. N. A. Smith, of Frelighsburch, Dr. J. H. Hamilton, of Richford, Mr. Chester Seales, of West Berkshire, Hon. J. K. Whitney, of Franklin, N. S. Whitney, Esq., of Montreal, Abel Hurlbut, of Frelighsburch. They favored the old survey, from Newport, via Richford, Berkshire, and Frelighsburch, and connect with the Montreal & Vermont Junction R. R., in Stanbridge.

B. Chamberlin, M. P. for Missisquoi, advocated a road to run from West Farnham through Dunham, Frelighsburch, Berkshire, and Richford.

After some discussion as to the merits of the different routes and the best mode of proceedings to carry out the project, it was moved by Dr. N. A. Smith and seconded by E. H. Goff, Esq., that a committee of five from each side of the line be appointed at this meeting to confer with other sections, and to adopt such measures to promote the construction of a railroad through this section as they may think proper; said committee to report at a subsequent meeting, to be called by the chairman at an early day.

The resolution was carried unanimously, and the following gentlemen were appointed to serve on the committee:

N. S. Whitney, Montreal; J. B. Seymour, Mayor of Frelighsburch; M. J. Deming, Mayor of St. Armand East; Abel Hurlbut, Frelighsburch; Wm. M. Patterson, do.; Lester Rounds, Richford; J. B. Bowditch, do.; Chester Seales, Berkshire, M. Colcord, Berkshire; John K. Whitney, East Franklin.

HOW TO STOP A DONKEY'S BRAY.—Father Huc, famous Catholic explorer of the interior of China, relates that on one of his long journeys among that strange people his caravan embraced an unusual number of jacks among the donkeys employed as carriers of the exhibition; that these jacks at every resting place kept up such an intolerable braying, especially toward morning, as to render sleep impossible to the abbe; that at last he complained of this to the master of the donkeys, who instantly replied that his gracious highness should be no more disturbed by this braying; that, sure enough, a quiet night with refreshing sleep followed; and on inquiring into the cause in the morning, he was pointed to the noisy jacks, each with a heavy stone tied to his tail. "That," said the driver, "is the way to settle them. The jacks stand upon their hind legs and will not bray unless he can straighten out his tail, and with a heavy stone attached he can't straighten it out, don't you see? Every time he tries it, the weight of his tail pulls him down and shuts his jaws."

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle). Price One Dollar. Every Druggist sells it.

MUSICAL INSTRUMENTS.—The piano forte has long been the popular home and concert instrument, yet in point of swelling and sustaining the tones is extremely defective. On account of this deficiency, music written in chords, or in a connected style, cannot be satisfactorily executed, as the long notes result in diminutions where they should be sustained. The taste for the Organ and orchestral style of music will supersede the present piano compositions. There are no instruments capable of such fine expressions in this style of music as the AMERICAN ORGANS, manufactured by Messrs. S. D. & H. W. Smith, of Boston. Their delicacy and variety in the voicing renders them susceptible of beautiful orchestral effects, by the skillful use of the tremolo and the improved knee swell while the deep manual sub-bass which is added to the new styles, gives the closest resemblance to the pipe organ. —Boston Journal.

IRON IN THE BLOOD.—When the blood is well supplied with its iron element, we feel vigorous and full of animation. Is it an insufficiency of this vital element that makes us feel weak and low-spirited; all such, by taking the Peruvian Syrup, (a protode of Iron) can supply this deficiency, and will be wonderfully invigorated.

FULTON MARKET.—Just received, a nice lot of Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

Severe pain will not get out of fashion yet for a long time, and so long, people will need a good remedy—Rennie's Pain Killing Magic Oil is just what the people need, to cure headache, rheumatic, neuralgia, and other painful complaints. d&w

Bogus certificates, manufactured to order, are often published in praise of some worthless hair preparation. "Barrett's Vegetable Hair Restorative" does not need to resort to such means, for its merits are too well known and appreciated. —N. Y. Sunday Dispatch. d&w

Boston, 21st.

The papers this p.m. contain the address of the Democratic National Committee to the conservative voters of the United States.
